The New Hampshire Department of Transportation (NHDOT) announces a Public Informational Meeting will be held on Wednesday, March 26, 2003 to discuss planned improvements to approximately five miles of US Route 2 in the towns of Jefferson and Randolph.

This project involves reconstruction, safety improvements and shoulder widening along Route 2 from the intersection with NH 115 in Jefferson to the Durand Road intersection in Randolph.

The March 26 public meeting to display the current proposals for improvements and to solicit input will be held at the Jefferson Town Hall, 698 Presidential Highway in Jefferson, New Hampshire. The meeting will begin at 6:30 PM, followed by a question and answer period.

In addition, NHDOT representatives will be available earlier on March 26 for informal discussions on the Route 2 project, from 10:00 AM to 12:00 noon at the Randolph Town Hall, and from 2:00 to 4:00 PM at the Jefferson Town Hall.
